**Walk:**

**Walking with:**

**Car Pick-Up:**

**Picked-Up By:**

**School Bus:**

**Drop-Off Address:**

**After Care:**

**After Care:**

*Please complete both sides of the enrollment form*

## Affton School District

Dear Parents,

This summer our district will offer - free of charge - a fun, exciting, and academic approach to learning called Summer Journey. Make no mistake about it, not only will our summer program be FUN for kids, it will also provide an opportunity for students to experience over 60 hours of academics during the summer months. This academic time will give students the chance to review and apply previously learned skills and knowledge as well as prepare for the school year ahead. Summer Journey's extraordinary educational goals are comprised of academic courses with hands-on instruction centered in reading, language arts, math, and social studies or science. Other fields of study are also available.

While the academic courses will be relaxed in format—no homework or tests for grades—**Summer Journey** will also offer courses for hands-on exploration and discovery. **Summer Journey** courses may include a rocket class, where students learn the basic principles of flight as they construct and fly real rockets, or a cooking course, where they learn basic cooking techniques. Other courses that may be offered include *Simple Machines Camp*, designed to introduce students to elements of engineering, live well, and *Lifetime Sports*, designed to develop the body and encourage a lifetime of fitness. These are only a sample of the courses that may be offered.

If you are the parent of a child who will be entering Kindergarten in fall 2022, I strongly encourage you to consider enrolling your child in **Summer Journey**. We have noticed that when these young students meet their teachers, fellow students, and our staff during the summer, they are eager to return in the fall and find that "first day of school" experience to be a positive one.

Who should apply for Summer Journey? Everyone. However, spots may be limited. Look at the information enclosed and apply by April 1. You'll be glad you did!

Sincerely,

*Dr. Travis Bracht*  
Superintendent

## Frequently Asked Questions

### **What is the *Summer Journey* program?**

The Affton *Summer Journey* is the extended learning summer program operated by the Affton School District to provide a world-class educational experience to district students.

### **What does the program cost to parents?**

The programming is free to all students.

### **When will the program be held?**

The Affton *Summer Journey* operates daily beginning on June 6 and ending on July 1, 2022. The program will run daily from 8:00am – 3:20pm for grades K-5 and 7:45am – 3:05pm for grades 6-8. It will be held at Mesnier Primary for K-5 and Affton High School for 6-8.

### **What will my child(ren) do each day?**

In the morning, Elementary and Middle School *Summer Journey* students will attend exciting academic classes where they may read interesting adventure stories, play language arts games, and/or use technology to solve math mysteries. A typical schedule would include four morning classes of Reading, Language Arts, Mathematics, and Science or Social Studies. After lunch, students will explore three fun-filled courses for first half of the program, followed by three different courses in last half of the program.

### **What COVID-19 safety measures will be in place during *Summer Journey*?**

All safety protocols and guidelines present at the end of the school year will remain in place for the duration of *Summer Journey*. These may include a daily self-screening for COVID-19 symptoms, social distancing, mask requirements for all staff and students, hand washing/sanitizing routines, etc.

### **How do I enroll my child for *Summer Journey*?**

Simply fill out the enrollment form found in the front pocket of this brochure and return it to your child's school **no later than April 1**.

### **Will my child earn a gift card for perfect attendance like in previous summers?**

Affton School District is committed to continuing to provide a safe learning environment this summer, just as we have during the traditional school year. In light of current health and safety guidelines related to COVID-19, we want to ensure students and families do not feel pressured to come to school when they are not feeling well or are required to self-isolate or quarantine due to exposure to COVID-19. We will be offering an attendance incentive for students who attend all days medically possible. Students who miss school as required by the health and safety guidelines will NOT have those days counted against their prize eligibility.

### **Will transportation be provided to and from the program?**

Limited transportation will be provided for student families following similar guidelines as were present during the traditional 2021-22 school year. Transportation information will be sent to those families who require transportation as soon as the plan becomes available.

### **Will breakfast and lunch be served each day?**

Yes, students will be served lunches using the same systems used during the regular school term. Students should plan to purchase meals (or bring lunch) in the same way they do during the regular school year.

### **If I fill out the enrollment form, is my child(ren) guaranteed a spot in *Summer Journey*?**

While our goal is to provide summer learning opportunities to all students, Affton School District cannot guarantee enrollment. Priority enrollment will be given to students who have been recommended by their teacher/counselor for academic need. All remaining spots will be filled by random lottery selection of families who have applied by April 1. If a spot becomes available after that time, enrollment will be based on the date applications were received.

# Affton School District

## Summer Journey™ Course Offerings

---

All **Academic Courses** (Language Arts, Mathematics, Reading, Science and/or Social Studies) are offered during morning sessions. All **Journey Courses** are offered during afternoon sessions. Students participate in *Journey* courses for two-week blocks, enabling every student to participate in six *Journey* courses.

### K–Intermediate Summer Journey Course Offerings

#### Kindergarten

(students entering K in the Fall)

##### Adventures in My Own Backyard

Kindergarten “explorers” respond with fascination and wonder as they explore habitats typically found in their own backyard. Multi-sensory activities are used to provide opportunities for engagement with the learning process. Students’ knowledge of the natural world is fostered along with concepts such as color/shape recognition, fine-motor development, phonemic awareness, and counting and sorting. This unit offers multi-level activities and is appropriate for children with little or no previous school experience.

##### 3-2-1 Blastoff!

We’re blasting off into fun and learning during the afternoon portion of the Summer Journey program. This theme-packed course is sure to delight and amaze all budding astronauts! After enjoying daily quiet time under the stars, students explore the solar system and participate in astronaut training camp. From planning a mission to Mars to designing a spaceship, this course offers an out-of-this-world experience!

#### Primary

(students entering grades 1, 2, 3 in the Fall)

BrickLAB: Magic Bean	Summer Seuss
Movement and Rhythm	Magic Show
Unleash Your Wild Side	Sports Science

#### Elementary

(students entering grades 4 & 5 in the Fall)

BrickLAB Build a Better World	
Readers’ Theatre	
Daily Challenges Junior	Traveling Artist
Retro Recreations	To Games & Beyond

#### Intermediate

BrickLAB Genetics	Flying Disc Camp
60 Seconds or Less	Eggs-traordinary Physics
All for One	Summer Camp Classics

## Affton School District
