Dear Parent,

Enclosed you will find a copy of the registration form for our summer school program. Stockton Schools is offering the Summer Journey program for summer school again this year. We are excited about the program and the benefits that it will offer students.

Bus routes will run to specified pick up points, as we have in the past. We will not have full bus service, however. Breakfast and lunch will be provided to all students free of charge. Students will also be eligible for attendance incentives as outlined in the packet.

Space is limited so be sure and sign up soon. We are excited about the learning opportunities for your child this summer.

Sincerely,

Doug Crawford

Frequently Asked Questions

What is the *Summer Journey* program?

The Stockton R-I *Summer Journey* is the extended learning summer program operated by the Stockton R-I to provide a world-class educational experience to district students.

What does the program cost to parents?

The programming is free to all students.

When will the program be held?

The Stockton R-I *Summer Journey* operates daily beginning on June 1 and ending on June 30, 2022.

Dates could be changed based on the number of days missed due to inclement weather. Changes will be announced.

Must my child be in attendance every hour of the program in order to receive credit for the *Summer Journey* program?

No. It is assumed that students may have vacations or camps planned. While prizes for good attendance are available to students, a child's occasional absence should not deter parents from enrolling their children in the program.

Will transportation be provided to and from the program?

Yes, transportation will be provided for those student families who qualify for transportation during the regular school year. However, bus routes will be limited and may vary from routes during the regular school year. Transportation information will be sent to those families who require transportation as soon as the plan becomes available.

What will my child(ren) do each day?

In the morning, Elementary and Middle School *Summer Journey* students will attend exciting academic classes where they may read interesting adventure stories, play language arts games, and/or use technology to solve math mysteries. A typical schedule would include four morning classes of Reading, Language Arts, Mathematics, and Science or Social Studies. After lunch, students will explore three fun-filled courses for the first 12 days enrolled in the program, followed by three different courses in last the 12 days.

How does the incentive program work?

Many students will win daily incentives for their efforts through a daily drawing or some similar format established by the summer site. Your student is also eligible to receive one of the following incentives for their *Summer Journey* attendance:

- 0 hours missed = \$100 gift card
- Up to 7 hours missed = \$75 gift card
- Over 7, up to 14 hours missed = \$50 gift card

Will breakfast and lunch be served each day?

Yes, students will receive a free breakfast and lunch.

How do I enroll my child for *Summer Journey*?

Simply fill out the enrollment form found in the front pocket of this brochure and return it to your child's school.

Adventures in My Own Backyard

Kindergarten “explorers” respond with fascination and wonder as they explore habitats typically found in their own backyard. Multi-sensory activities are used extensively, providing opportunities for meaningful engagement with the learning process. Students’ knowledge of the natural world is fostered along with concepts such as color and shape recognition, fine-motor development, phonemic awareness, and counting and sorting. This unit offers multi-level activities and is appropriate for districts with a wide variance in student population, including children with little or no previous school experience.

Camp K

In the afternoon portion of the Kindergarten day, students head to their campsite for quiet time as they rest and listen to the sounds of nature. Then they hit the trail to explore concepts about camping and nature through theme-related and physical movement activities. During Backpack Activity Stations, students develop cooperation skills as they investigate manipulatives and create art. From examining wildlife tracks to sharing campfire stories, young campers enjoy their adventures at Camp K.
