Dear Parents,

This summer, our school district will offer all students, free of charge, a fun, exciting, and academic approach to learning called **Summer Journey**. Not only will our summer program be FUN for kids, it will also provide an opportunity for students to experience over 60 hours of academics during the summer months. This academic time will give students the chance to review and apply previously learned skills and knowledge, as well as prepare for the school year ahead. **Summer Journey's** extraordinary educational goals are comprised of academic courses with hands-on instruction centered in **reading, language arts, math, and social studies or science**. Other fields of study are also available.

While the academic courses will be relaxed in format—no homework or tests for grades—**Summer Journey** will also offer courses for hands-on exploration and discovery. **Summer Journey** courses may include a rocket class, where students learn the basic principles of flight as they construct and fly real rockets, or a cooking course, where they learn basic cooking techniques. Other courses that may be offered include *Snack Attack*, designed to encourage students to have fun, live well, and snack healthily, and *Lifetime Sports*, designed to develop the body and encourage a lifetime of fitness. These are only a sample of the courses that may be offered.

If you are the parent of a child who will be entering Kindergarten in fall 2023, I strongly encourage you to consider enrolling your child in **Summer Journey**. We have noticed that when these young students meet their teachers, fellow students, and our staff during the summer, they are eager to return in the fall and find that “first day of school” experience to be a positive one.

Finally, **Summer Journey** offers an enticing incentive program for students. Students will be eligible to receive **daily** rewards if they come to school, exhibit a positive attitude and behavior, and work to improve their achievement. At the end of the program, some lucky students will also win **Grand Prizes**, which will be awarded on the final day. Students who demonstrate outstanding attendance will be rewarded with **Attendance Recognition** gift cards, ranging from \$50 for “near perfect” attendance to \$100 for “perfect attendance.”

Who should attend **Summer Journey**? Everyone. Simply put, it's good for kids. Look at the information enclosed. You'll be glad you did!

Sincerely,

Benji Dorsen

Frequently Asked Questions

What is the *Summer Journey* program?

The New Franklin R-I *Summer Journey* is the extended learning summer program operated by New Franklin R-I to provide a world-class educational experience to district students.

What does the program cost to parents?

The programming is free to all students.

When will the program be held?

The New Franklin R-I *Summer Journey* operates daily beginning on May 30 and ending on June 30, 2023. It will be held at New Franklin Elementary (K-5) and NFMS (6-9). Program time will be from 8:00AM to 2:45PM. ***Dates could be changed based on the number of days missed due to inclement weather. Changes will be announced.***

Must my child be in attendance every hour of the program in order to receive credit for the *Summer Journey* program?

No. It is assumed that students may have vacations or camps planned. While prizes for good attendance are available to students, a child's occasional absence should not deter parents from enrolling their children in the program.

Will transportation be provided to and from the program?

Yes, transportation will be provided for those student families who qualify for transportation during the regular school year. However, bus routes will be limited and may vary from routes during the regular school year. Transportation information will be sent to those families who require transportation as soon as the plan becomes available.

What will my child(ren) do each day?

In the morning, Elementary and Middle School *Summer Journey* students will attend exciting academic classes where they may read interesting adventure stories, play language arts games, and/or use technology to solve math mysteries. A typical schedule would include four morning classes of Reading, Language Arts, Mathematics, and Science or Social Studies. After lunch, students will explore three fun-filled courses for the first 12 days enrolled in the program, followed by three different courses in the last 12 days.

How does the incentive program work?

Many students will win daily incentives for their efforts through a daily drawing or some similar format established by the summer site. Your student is also eligible to receive one of the following incentives for their *Summer Journey* attendance:

- 0 hours missed = \$100 gift card
- Up to 6.75 hours missed = \$75 gift card
- Over 6.75 hours, up to 13.5 hours missed = \$50 gift card

Will breakfast and lunch be served each day?

Yes, students will be served lunches using the same systems used during the regular school term. As a result, students should plan to purchase meals (or bring lunch) in the same way they do during the regular school year.

How do I enroll my child for *Summer Journey*?

Simply fill out the enrollment form found in the front pocket of this brochure and return it to your child's school.

Student Incentives

Attendance Incentives

Student incentives are dependent on attendance.

\$100 Shopping Card

New Franklin R-I Summer Journey™ Course Offerings

All **Academic Courses** (Language Arts, Mathematics, Reading, Science and/or Social Studies) are offered during morning sessions. All **Journey Courses** are offered during afternoon sessions. Students participate in *Journey* courses for two-week blocks, enabling every student to participate in six *Journey* courses.

K-Intermediate Summer Journey Course Offerings

Kindergarten

(students entering K in the Fall)

Let's Go Visiting

Students visit and explore fascinating places in a child's world during the weekly mini-units Let's Visit the Garden, Let's Visit the Zoo, Let's Visit the Farm, and Let's Visit the Aquarium. Building on students' prior knowledge, engaging, theme-related activities foster early learning concepts and skills, such as letter and sound recognition, phonemic awareness, sorting, and counting. Games, manipulatives, literature response, and writing activities inspire active learning while integrated science and social studies concepts support meaningful learning connections and nurture students' natural curiosity.

Camp K

In the afternoon portion of the Kindergarten day, students head to their campsite for quiet time as they rest and listen to the sounds of nature. Then they hit the trail to explore concepts about camping and nature through theme-related and physical movement activities. During Backpack Activity Stations, students develop cooperation skills as they investigate manipulatives and create art. From examining wildlife tracks to sharing campfire stories, young campers enjoy their adventures at Camp K.
