Greetings North Callaway,

May 30 through June 30 from 8:00 AM-3:45 PM, our District will offer K-8 students, **free of charge**, an enjoyable, exciting and academic approach to learning called Summer Journey at Hatton-McCredie Elementary, Williamsburg Elementary, and North Callaway Middle School. This opportunity will not only be **FUN** for kids, but will also provide an opportunity for students to experience over 140 hours of academics during the summer months. This academic time will give students the chance to review and apply previously learned skills and knowledge as well as prepare for the school year ahead. Our Summer Journey's educational goals are comprised of academic courses with hands-on instruction centered in Science, Technology, Engineering, and Math (STEM) in tandem with English Language Arts.

The courses will be relaxed – no homework or testing for grades – and will offer courses for hands-on discovery. Our Summer Journey courses will provide opportunities for students to interact with learning. Courses such as Adventures Down Deep, Mathemagic, and It's a Wonder supplement the learning during the regular academic year. There will be courses available for all age groups with an emphasis on fun.

If you are the parent of a child who will be entering Kindergarten (must turn 5 before August 1) in the fall of 2023, I strongly encourage you to consider enrolling your child in Summer Journey. This is a great opportunity for students to get accustomed to the school environment while getting a jumpstart on learning. When Pre-K students are able to meet teachers and fellow classmates it often lessens the stress on the 1<sup>st</sup> day of school, helping to make a positive experience.

Finally, Summer Journey offers an incentive program for students. Students who attend every day, all day, will receive a \$100 reward. Additional attendance recognition gift cards range from \$50-\$75 will be awarded for good attendance. Consistently attending school with a positive attitude helps students be successful during their academic years and beyond.

Please plan to make arrangements for your child for before and after school. We will not be providing before and after school care during the summer of 2023.

To say it simply, Summer Journey is good for kids. Enclosed you will find our Summer Journey program information. Please take the opportunity to review. I know you and your student will enjoy the experience.

Thunderbird Proud,

*Nicky Kemp*

## Frequently Asked Questions

### **What is the *Summer Journey* program?**

The North Callaway R-I *Summer Journey* is the extended learning summer program operated by North Callaway R-I to provide a world-class educational experience to district students.

### **What does the program cost to parents?**

The programming is free to all students.

### **When will the program be held?**

The North Callaway R-I *Summer Journey* operates Tuesday - Friday beginning on May 30 and ending on June 30, 2023, from 8:00AM to 3:45PM. The program will be held at Hatton-McCredie Elementary (K-5), Williamsburg Elementary (K-5) and North Callaway Middle School (6-8).

### **Must my child be in attendance every hour of the program in order to enroll in the *Summer Journey* program?**

No. While we do believe good attendance is important, it is assumed that students may have vacations or camps planned. While prizes for good attendance are available to students, a child's occasional absence should not deter parents from enrolling their children in the program.

### **Will transportation be provided to and from the program?**

Yes, transportation will be provided for those student families who qualify for transportation during the regular school year. However, bus routes will be limited and may vary from routes during the regular school year. Transportation information will be sent to those families who require transportation as soon as the plan becomes available.

### **What will my child(ren) do each day?**

In the morning, Elementary and Middle School *Summer Journey* students will attend exciting academic classes where they may read interesting adventure stories, play language arts games, and/or use technology to solve math mysteries. A typical schedule would include four morning classes of Reading, Language Arts, Mathematics, and Science or Social Studies. After lunch, students will explore three fun-filled courses for the first 10 days enrolled in the program, followed by three different courses in the last 10 days.

### **How does the incentive program work?**

Many students will win daily incentives for their efforts through a daily drawing or some similar format established by the summer site. Your student is also eligible to receive one of the following incentives for their *Summer Journey* attendance:

- Perfect attendance = \$100 gift card
- Up to one day missed = \$75 gift card
- Up to two days missed = \$50 gift card

### **Will breakfast and lunch be served each day?**

Yes, the District has applied for a special state grant whereby ALL students would receive a free breakfast and lunch daily. In the event the grant is not approved, breakfast and lunch will be served using the same systems that are currently in place.

### **How do I enroll my child for *Summer Journey*?**

Simply fill out the enrollment form found in the front pocket of this brochure and return it to your child's school.
