

## Trenton R-IX School District

Dear Parents,

The Trenton R-IX School District has agreed to use the **Summer Journey** program to offer, free of charge, an exciting approach to learning for summer school. Make no mistake about it; our summer program will be FUN for kids. Yet, our summer school program also provides an opportunity for students to experience over 60 hours of advanced academic preparation for the year ahead as well as to review and apply previously learned skills and knowledge. **Summer Journey's** extraordinary educational goals are comprised of academic courses with hands-on instruction centered in reading, language arts, math, and social studies or science. Other important fields of study are also available.

While the academic courses will be relaxed in format—no homework or tests for grades—**Summer Journey** will also offer courses for hands-on exploration and discovery. **Summer Journey** courses may include a rocket class, where students learn the basic principles of flight as they construct and fly real rockets, or a cooking course, where they learn basic cooking techniques. Other courses that may be offered include *Simple Machines*, designed to introduce students to elements of engineering, and *Lifetime Sports*, designed to develop the body and encourage a lifetime of fitness. These are only a sample of the courses that may be offered.

In addition, if you are the parent of a child who will be entering Kindergarten in the fall of 2023, I strongly encourage you to consider enrolling your child in **Summer Journey**. We have noticed that when new students meet their teachers, fellow students, and our staff during the summer, they are eager to return in the fall and find that “first day of school” experience to be a positive one.

Finally, to make the program even more enticing to students, **Summer Journey** provides an extensive incentives program. Students will be eligible to receive daily prizes if they come to school, exhibit a positive attitude, and work to improve their achievement. At the end of the program, some lucky students will also win Grand Prizes that will be awarded on the final day, which includes attendance recognitions. Attendance recognitions range from \$50 for “near perfect” attendance to \$100 for “perfect attendance.”

Who should attend **Summer Journey**? Everyone. Simply put, it's good for kids. Look at the information enclosed. You'll be glad you did!

Sincerely,  
Daniel Gott  
Superintendent
