

## Chillicothe R-II School District

Dear Parents,

Once again our school district will offer all students, free of charge, an exciting approach to learning called **Summer Journey**. Make no mistake about it; our summer program will be FUN for kids. Yet, our summer school program also provides an opportunity for students to experience over 60 hours of advanced academic preparation for the year ahead as well as to review and apply previously learned skills and knowledge. **Summer Journey's** extraordinary educational goals are comprised of academic courses with hands-on instruction centered in **reading, language arts, math, and social studies or science**. Other important fields of study are also available.

While all of the ambitious academic courses will be relaxed in format, (no homework or tests for grades) **Summer Journey** will also offer courses for hands-on exploration and discovery. **Summer Journey** classes could include Once Upon A Daydream where there are a variety of interactive activities leading students to investigate story elements, author's purpose, and concepts of print and phonemic awareness. Classes could also include Math Manuscripts where students apply reasoning as they work through data collection, graphing and patterning. Courses are designed for specific grade levels. These are but a sample of the courses that may be offered.

In addition, if you are the parent of a child who will be entering Kindergarten in the fall of 2017, I strongly encourage you to consider enrolling your child in **Summer Journey**. We have noticed that when new students meet their teachers, fellow students and our staff during the summer, they are eager to return in the fall and find that "first day of school" experience to be a positive one.

Finally, to make the program even more enticing to students, an extensive incentives program characterizes **Summer Journey**. Students will be eligible to receive **daily prizes** if they come to school, exhibit a positive attitude, and work to improve their achievement. At the end of the program, some lucky students will also win **Grand prizes** that will be awarded on the final day. And, as in past years, all of our students who demonstrate outstanding attendance will be well rewarded with an **Attendance Recognition** ranging from \$50 for "near perfect" attendance to \$100 for "perfect attendance".

Who should attend **Summer Journey**? Everyone. Simply put, it's good for kids. Look at the information enclosed. You'll be glad you did!

Sincerely,

**Dr. Roger Barnes**

Superintendent
