Dear Parents,

Due to last year's success, Summer Journey is back! Maryville R-II will offer 19 free and exciting full-days of summer programming for all students, grades K-8. Summer Journey will be FUN for kids, but will also provide an opportunity to learn new skills and apply previously learned ones. For students ages five and up, transportation will be provided. Also, children ages five through 10 (or just completing 4th grade), can participate in before and after school care through Summer GO. Summer GO rates have not yet been determined but will not exceed the regular year rates.

Summer Journey's extraordinary educational goals are comprised of academic courses with hands-on instruction centered in **reading, language arts, math, and social studies or science**. These morning academic courses are relaxed in format - no homework or tests for grades. **Summer Journey** also offers afternoon courses for hands-on exploration and discovery.

Summer Journey has an extensive incentives program. Students are eligible to receive **daily prizes** for coming, having a positive attitude, and working to improve their achievement. On the last day, some lucky students also win **Grand prizes**. All students who demonstrate outstanding attendance are well rewarded with an **Attendance Recognition** ranging from \$50 for "near perfect" attendance to \$100 for "perfect attendance."

If you are the parent of a child entering Kindergarten in the fall of 2018, I strongly encourage you to consider enrolling your child in **Summer Journey**. We believe getting familiar with staff, fellow students, the building, and routines during the summer creates a better fall experience. Students will be eager to return in August and their "first day of school" will be a positive one.

Who should attend **Summer Journey**? Everyone. Simply put, it's good for kids.

Look at the information enclosed. You'll be glad you did!

Sincerely,

Dr. Becky Albrecht

Frequently Asked Questions

What is the *Summer Journey* program?

The Maryville R-II *Summer Journey* is the extended learning summer program operated by Maryville R-II to provide a world-class educational experience to district students.

What does the program cost to parents?

The programming is free to all students.

When will the program be held?

The Maryville *Summer Journey* operates daily beginning on May 29 and ending on June 22, 2018, from 8:00 a.m. to 3:30 p.m.

Dates could be changed based on the number of days missed due to inclement weather. Changes will be announced.

Must my child be in attendance every hour of the program in order to receive credit for the *Summer Journey* program?

No. It is assumed that students may have vacations or camps planned. While prizes for good attendance are available to students, a child's occasional absence should not deter parents from enrolling their children in the program.

Will transportation be provided to and from the program?

Yes, transportation will be provided for those student families who qualify for transportation during the regular school year. However, bus routes will be limited and may vary from routes during the regular school year. Transportation information will be sent to those families who require transportation as soon as the plan becomes available.

What will my child(ren) do each day?

In the morning, Elementary and Middle School *Summer Journey* students will attend exciting academic classes where they may read interesting adventure stories, play language arts games, and/or use technology to solve math mysteries. A typical schedule would include four morning classes of Reading, Language Arts, Mathematics, and Science or Social Studies. After lunch, students will explore three fun-filled courses for first 12 days enrolled in the program, followed by three different courses in last 12 days.

How does the incentive program work?

Many students will win daily incentives for their efforts through a daily drawing or some similar format established by the summer site. Your student is also eligible to receive one of the following incentives for their *Summer Journey* attendance:

- 0 hours missed = \$100 gift card
- 0.5 - 7 hours missed = \$75 gift card
- 7.5 - 14 hours missed = \$50 gift card

Will breakfast and lunch be served each day?

Yes, students will be served lunches using the same systems used during the regular school term. As a result, students should plan to purchase meals (or bring lunch) in the same way they do during the regular school year.

How do I enroll my child for *Summer Journey*?

Simply fill out the enrollment form found in the front pocket of this brochure and return it to your child's school.

Student Incentives

Attendance Incentives

Student incentives are dependent on attendance.

\$100 Shopping Card

Perfect attendance - 0 hours missed

\$75 Shopping Card

Up to 7 hours* missed

\$50 Shopping Card

Over 7 hours, up to 14 hours* missed

Maryville Summer Journey™ Course Offerings

All **Academic Courses** (Language Arts, Mathematics, Reading, Science and/or Social Studies) are offered during morning sessions. All **Journey Courses** are offered during afternoon sessions. Students participate in *Journey* courses for two week blocks, enabling every student to participate in six *Journey* courses.

Kindergarten

(students entering K in the Fall)

Kids at Work

“Work” is fun in the four-weekly mini-units Dinosaur Bones, Pat-A-Cake, At the Pet Shop, and Detectives for Hire. Students build on prior knowledge as they learn about a variety of careers. Each activity is designed to foster early learning concepts, such as letter and sound recognition, phonemic awareness, measurement, counting, and shape recognition. Thematic centers and literature-based math activities complete the morning. From digging for fossils to tracking down missing letters, this unit offers multi-level activities appropriate for all early learners.

3-2-1 Blastoff!

We’re blasting off into fun and learning during the afternoon portion of the Summer Journey program. This theme-packed unit is sure to delight and amaze all budding astronauts! After enjoying a daily quiet time under the stars, students rotate through different playful planets and participate in astronaut training camp. From creating silly aliens to designing outer space rockets, this course offers an out-of-this-world experience!
