

Warsaw R-IX School District

Dear Parents,

Once again our school district will offer all students, free of charge, an exciting approach to learning called **Summer Journey**. Make no mistake about it; our summer program will be FUN for kids. Yet, our summer school program also provides an opportunity for students to experience over 60 hours of advanced academic preparation for the year ahead as well as to review and apply previously learned skills and knowledge. **Summer Journey's** extraordinary educational goals are comprised of academic courses with hands-on instruction centered in **reading, language arts, math, and social studies or science**. Other important fields of study are also available.

While the academic courses will be relaxed in format—no homework or tests for grades—**Summer Journey** will also offer courses for hands-on exploration and discovery. There will be many courses that provide experiences for enhanced learning opportunities which ultimately challenge students both creatively and academically. Be assured, we are offering courses for all age groups with an emphasis on fun learning and exploration.

In addition, if you are the parent of a child who will be entering Kindergarten in the fall of 2018, I strongly encourage you to consider enrolling your child in **Summer Journey**. We have noticed that when new students meet their teachers, fellow students and our staff during the summer, they are eager to return in the fall and find that “first day of school” experience to be a positive one.

Finally, to make the program even more enticing to students, an extensive incentives program characterizes **Summer Journey**. Students will be eligible to receive **daily prizes** if they come to school, exhibit a positive attitude, and work to improve their achievement. At the end of the program, some lucky students will also win **Grand prizes** that will be awarded on the final day. And, as in past years, all of our students who demonstrate outstanding attendance will be well rewarded with an **Attendance Recognition** ranging from \$50 for “near perfect” attendance to \$100 for “perfect attendance”.

Who should attend **Summer Journey**? Everyone. Simply put, it's good for kids. Look at the information enclosed. You'll be glad you did!

Sincerely,

Shawn Poyser

Superintendent

The programming is free to all students.

However, bus routes will be limited and may vary from routes during the regular school year. In the morning, Elementary and Middle School *Summer Journey* students will attend exciting academic classes where they may read interesting adventure stories, play language arts games, and/or use technology to solve math mysteries. A typical schedule would include four morning classes of Reading, Language Arts, Mathematics, and Science or Social Studies. After lunch, students will explore three fun-filled courses for the first 12 days enrolled in the program, followed by three different courses in the last 12 days.

Adventures in My Own Backyard

Kindergarten “explorers” respond with fascination and wonder as they explore habitats typically found in their own backyard. Multi-sensory activities are used extensively, providing opportunities for meaningful engagement with the learning process. Students’ knowledge of the natural world is fostered along with concepts such as color and shape recognition, fine-motor development, and counting and sorting. This unit offers multi-level activities and is appropriate for districts with a wide variance in student population, including children with little or no previous school experience.

Kamp Kindergarten

In the afternoon portion of the Kindergarten day, students unpack their sleeping bags for a quiet time as they listen to nature sounds and engage in physical movement activities focused around the theme of camping. Students develop cooperation skills as they investigate manipulatives and games during Backpack Explorations. From creating s’mores to sharing campfire stories, young campers enjoy their stay at Kamp Kindergarten.
